

## PROGRAMS & SERVICES

*Our goal is to support long term sobriety for the mother by building healthy and strong families.*

We offer the following:

### Chemical Dependency Treatment

We offer intensive and outpatient services. Groups meet at variable times throughout the week. Individual sessions occur at least once a month and more often as needed.

### On Site Childcare

We offer childcare for clients who come to our office for assessment or treatment. Children must be 6 years or younger.

### Family Case Management

Our staff will work with client to coordinate benefits, research housing options, get back into school, as well as assist with any other goals, needs or ambitions.

### Healthy Traditions

Our staff will work with clients to help connect them with services throughout the region in order to create a stable support mechanism to maintain lasting sobriety.

## New Traditions

A gender-based chemical dependency treatment program and a full-service community for mothers in recovery

## How to Access Services

Client engagement begins with the very first contact. Walk-In assessments are offered daily. Come to our office 1:30pm - 3:30pm any weekday and we will help you, no appointment necessary. Or you can call to make an appointment.

Call now: 206-762-7207

## Eligibility

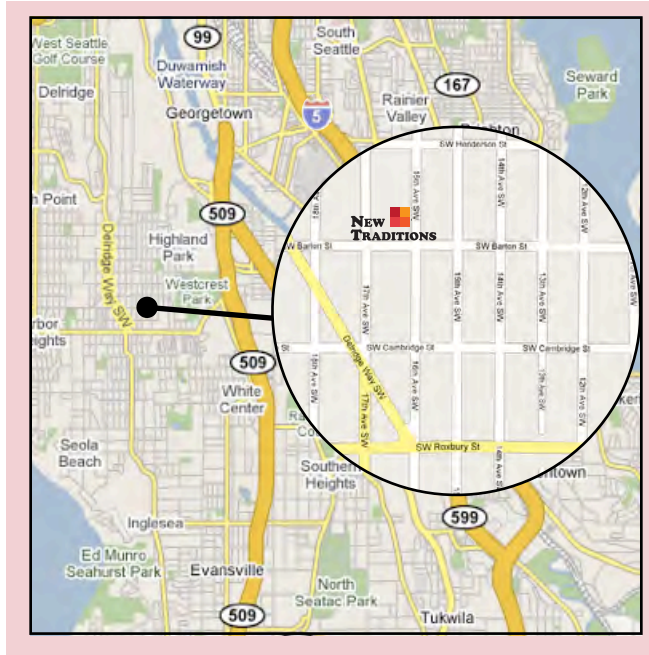

To qualify, you must be:

- an adult female
- low-income OR eligible for medical coupon
- no medical coupon necessary

## Treatment Focus

Pregnant and parenting women that are ready to be in recovery have different treatment needs. The staff at New Traditions specialize in working with mothers.

We offer groups at various times of the day/week to fit with your schedule. We provide on-site childcare and on-site access to community providers such as WIC, MOMs Plus, ATR, and United Indians of All Tribes.
